Venue, Front Part of, Ealing Green Church, (Methodist and United Reformed),
Ealing Green, W5 5QT

TITLE OF TALK: - *Gifted Children - from Ealing to Germany*

.....
SHORT SYNOPSIS OF TALK: - Starting in 1967, the English National Association for Gifted Children (NAGC) influenced the founding of the German Association for the Gifted Child. Society should care for gifted children. What can and should be done for them? What are the differences between the English and the German school systems and their way of caring for the gifted?

SHORT C.V.: - German teacher for middle school (English) with a PhD in education. Subject of PhD: Acceleration for very bright and gifted children. Founder of the German Association for the Gifted Child
